have always done. It's just better.

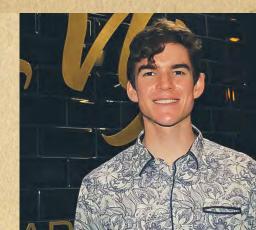

As I pen down my thoughts about the end of the year for the Trust just a day after the Armistice Parade, I have to say that I am actually in awe of everything that the school continues to achieve. When we put our minds to it, we are seriously one of the best in the business. Sunday and the Armistice Day bears testimony to this. In an age where many other schools have either stopped the parade or have a watered-down version, we continue in the same way that we My year's parade was in 1985 and it was almost the same, except of course that the parade now truly reflects the demographics of South Africa and in fact celebrates those that gave their lives in the most magnificent way. We also had many Reunion Groups celebrating various

milestones, many years ago. With many from overseas and not having returned to the school for many a year, their pulpable excitement at just how good the school remains to this day bears testimony to the school, its learners, and all the staff who give of themselves and their time to keep King Edward VII truly World Class. As we all wind down and invariably head down to the Coast, I would like to take this time to thank all of you our loyal readers, supporters and everyone in the King Edward VII community for your unwavering support. To my fellow Trustees, thank you for your council, your support and your own invaluable time spent helping to make this a better place. To the staff of King Edward VII School, I say a big thank you, for our boys wouldn't achieve what they do without your leadership, guidance and caring. To the heart and soul of the Trust Ms Derron Van Eeden I say congratulations on a job so well done, always with a smile on the face and a willingness that goes way beyond the proverbial extra mile. Wherever it is that this festive season takes you, may it be filled with love, may you be surrounded by those nearest and dearest

to you and may you come back to this place well rested, safe and sound. In closing, Sons of this place, let this of you be said. That those of you who live, are worthy of your dead. - Jonathan Gerber, Chairman

Dear King Edward VII Community As the Festive Season approaches, I wanted to take a moment to extend my warmest wishes to the entire King Edward VII Family. May this festive season bring you joy, peace and an abundance of cherished moments with your loved ones. FROM THE In the midst of your commitments and responsibilities, I hope

you find precious time to create lasting memories with your families. If any of you are planning to travel on the roads during this period, I urge you to take extra care and ensure a safe journey. Best wishes - DCP Lovatt, Headmaster

KING EDWARD VII SCHOOL

Opportunities reveal themselves in the face of diligence and sacrifice. As an Old Boy and recipient of the Desmond Davis War Memorial Scholarship, I can confirm that King Edward continues to provide fruitful opportunities for its scholars - both during and beyond their time at the School - as it has for more than a century. After matriculating in 2019, I went on to study Aeronautical Engineering at the University of the Witwatersrand (Wits). There is something quite incredible about flight, and I would come to learn this as the degree progressed. Naturally, I wanted to study further. I was fortunate enough to secure an opportunity to do so. In 2024, I will be pursuing a Master's in Aeronautical Engineering at Wits, under the supervision of a renowned South African aerospace company. Truthfully, none of this would be possible without the School's support in the form of the Desmond Davis War Memorial Scholarship. It would be remiss to overlook the sacrifice made by the Old Boys and broader King Edward community that donate to this Scholarship fund each year. I am indebted to every donor and realize my responsibility

WAR MEMORIAL SCHOLARSHIP

Edward's positive influence on our country and world abroad. When given an opportunity, our Old Boys thrive. Excellence is a part of our culture. The Desmond Davis War Memorial Scholarship is an undisputed means to nurturing this excellence. I am appealing to Old Boys who can donate to the fund, to do so. Your sacrifice will reap positive rewards for fellow Old Boys and continue to uphold the School's fantastic reputation in spaces all over the world. Strenue - Crispin McKenzie

to match your sacrifice with due diligence. I will, without question, be a donor to the Scholarship in due course. I want to provide future Old Boys with the opportunity I have been so fortunate to embrace and continue to uphold King

THE GIFT OF A KING EDWARD EDUCATION KING EDWARD In 2002, our Centenary year, I asked a high-profile UK old boy if they would consider helping the School. His answer was: "The School did nothing for me". Twenty years on, his flippant comment still has me wondering what a THE KING EDWARD SSOCIATION

good school really does for its scholars. Whether we really enjoyed school or not. Whether we excelled academically, on the sports field or in the drama theatre the one undeniable point is that we were educated at KES, and that our all-round education has stood us in good stead. It has provided us with an intangible asset, being an inner confidence, perhaps even a sort of swagger. We grew to believe that we were one of the best of the best. If someone asked you what School you went to, you were proud to say King Edwards. From my observations of fellow classmates and school alumni, our education has served us well, as we progressed in our careers in South Africa and

educate people, they can pass it on". That is why I am reaching out to you all today. The gift of education is one for us to pay back with interest and thereby ensure our own gift of education is passed on. South Africa has huge challenges, and a key part of the solution would be to strengthen and utilise the education system. Martin Luther King, once spoke the now famous line: "I have a dream " Our own dream must surely be to assist King Edwards to continue to educate the future leaders of South

Rands. You are now living overseas courtesy of your King Edwards' education. Is it not time to pay back on this education? Would it be unreasonable to ask you to contribute your US\$, UK pounds or Australian dollars into a school fund or similar? Perhaps establishing a new bursary in your name, or the name of a family member? What about a bursary from a year group? My own class year of 1974, are having a 50th year reunion in 2024 and it would be a fabulous gesture for our year group to set up a fund to help disadvantaged students attend this fabulous school and thereby help a new cohort assist in changing South Africa by setting up "The class of 1974 bursary"? around the world. Our School has many famous alumni and alumni who are quiet achievers. The common thread is that they were educated at King Edwards with its proud history and

traditions. However, there is an area where the school alumni can lift their game and that is in the realm of "giving". There is nothing more fulfilling than that of "giving" and providing others the gift of Education must surely be one of the most noble and rewarding forms of giving. The Dalai Lama was recently asked a question on where Society should focus their resources. His response was:". Education. Anything related to education is a noble cause. When you Africa and to do this we all need to help our school in the best way we can. Its sustainability is paramount for the generations still to come. For our overseas alumni, your valuable currency goes a very long way in

REFLECTIONS ON THE CLASS OF '72-51ST REUNION Over the past few days riding my motorcycle back to the Cape, I was thinking that I am sure there have been many KES reunions. Most of them have probably been pretty good. I really don't know. However, I thought about the sheer scale and level of detail that the class of 1972 -51st reunion had. It started with booking out an entire boutique hotel in Houghton, then providing an amazing luxury tour bus to move us all around safely. Those two achievements in themselves were stunning. Then the school tour -after we had written our names on the provided custom "72 Reunion" name tags. This was then followed by the afternoon of sports at Killarney, bowls and golf. Golf was organised and co-ordinated by Wynand van der Linden, whilst the bowls was well organised and co-ordinated by Clive Stricker and Malcolm Lobban. Then the gala dinner Friday night with a fantastic "gees" and the special custom labelled wines provided for

## thanks. Derron you have done an amazing job in assisting all Classes. The Classes of 53, 58, 63, 72, 78 and 83 all present at the headmasters gathering on Friday 10th November. There must have been close to one hundred people it was a great Buzz and renewed acquaintances.!! Our Poor turnout was hidden by the many who were there, and we were told that the class of 72 went all out to beat our 50th record attendance 10 years ago. They certainly did ably led by their head boy of that year Bobby Hartslief and Committee it was good to witness their momentum. None the less there was an excellent core of 15 from our year who attended the Friday, only 6 went to the constitutional court and had a wonderful tour and lunch thereafter the whole program was 5 hours.

Being assisted By Derron van Eeden to whom we all owe a debt of

Saturday night was excellent as the 16 people really had a deep dive into their past and great thoughts the evening lasted until 12ish great fun had by all. Sunday's parade was once again traditional and a real feather in our schools cap. Sunday lunch was great in a lovely setting and those present had a good time.

Thanks to all who came to renew acquaintances, and have a vibe, to those who didn't. Mark your diaries for Nov 2033 the school will be there the tradition will be there and so will the men from 63 there, Kindest to you all - Doug Smollan

constructed with the most prominent panel of '72 old boys, Advocate Gilbert Marcus and International artist William Kentridge present day KES pupils Deputy Heads, Caleb Lombard and Samuel Chanda and

everyone. Bob Hartslief (Head boy 1972) made a wonderful heart felt, emotional speech. A special 1972 cap was given to each guy! Absolutely

Then the panel discussion at GIBS on Saturday morning - well

moderated by Justice Edwin Cameron, with a loose script. The hiring of the auditorium, professional sound and camera crew, snacks etc was also so special, not to mention, expensive. Then the braai, attended by 110 people including five ex teachers located and introduced by Tommy Spitzer. Each teacher contributed a few humorous and enjoyable stories. Video music from the '70's was provided by Doug Reid. Transport to the school again for the Armistice Parade on Sunday followed by a moving tribute to all 72 ers who had passed away by Rene Du Toit -, at the bench dedicated by the school to 72er Billy Foster and back. Phenomenal!!!! Everyone got along. There was no bickering, no snide comments, no arguments - a tribute to the maturity

of the Class of 72. Also amazing, I'm sure you'll agree. None of this would have happened as seamlessly without the leadership and strong

organisation and commitment by the organisers who committed funds

and made commitments on our behalf. The anonymous donations

made everything possible. We have already thanked those involved with

the exceptional organisation. This HUGE THANK YOU is for those donors and their generous donations that smoothed the way for this

reunion to be exceptional.

The 40-, 45-, 50- and 60-year reunions normally meet over the

Remembrance Day weekend, but we must reiterate that there is no formal Assembly due to the learners' writing exams. You will be

welcomed to the School and be taken on a tour of the school by the

Headmaster with tea and continental breakfast in the Mark Stevens

Aquatics Centre. You are then all welcome to attend the Remembrance

If you are willing to co-ordinate your reunion, please send an email to

These reunions serve as a testament to the enduring spirit of our school.

People from various walks of life, each with their unique journeys, found

common ground in their shared experiences at KES. The reunions

serve as a reminder of the enduring connections we share, and we look

forward to keeping the flame of our King Edward VII School spirit alive.

will continue to be a key requirement for businesses for many years to come. Let us then make the most of it and put it to best use. It is with this aim in mind that the Strenue Trust was first established in 2014. The trust takes B-BBEE spend, primarily Enterprise Development (ED), Socio-economic Development (SED) and Skills Development (SD) and invests these funds into

bursaries for deserving learners at the King Edward schools as well as Parktown Girls and the Hope school for disabled learners. Investing in Strenue means you can be certain that the funds are being spent in the best possible way - by investing in the country's top state schools and the education of the learners who attend these schools. Strenue is a Level 1 BEE contributor, which means our donors maximize their BEE points. So it really is a win-win, with learners, schools and companies all benefitting. If your company is in a position to potentially partner with Strenue, please contact me at 082 820 9586 or strenue@kes.co.za.
